

FOR SALE AT THE CLUB

Important Message for 2018

The blue or white shirts as purchased by many club members have been discontinued by the supplier. The Board researched various suppliers to find a suitable replacement and will have samples of the new ones available at the Spring General Meeting. New jackets are also under consideration. The name tags have also been redesigned to include the club logo, and new club pins have been developed and will be available for purchase in April.

Once costs have been determined a new price list will be posted on this website.
