Note from one of our members:

Yesterday (March 16<sup>th</sup>) was the first time I visited Bowen Park. What a pleasant surprise I had when arriving to the park. There is our "new" Club" looking neat and tidy as well as a very green looking green.

Congratulations to the members and staff of the council for all the good work. I'm looking forward to the season starting next month and of course our Spring meeting.

Greens:

We still need your help to get and keep our greens in good order for our bowling season. If you would like to help, please show up at the green any Monday at 9:00 am. This is a neutral gender neutral position and instruction will be available.
