From the President:

The season is off to a great start. The two Open Houses brought in a good number of visitors with quite a few signing up for lessons and a few have even joined as members already. The Official Opening was very well attended and the weather couldn't have been better. It was great to see everyone and how wonderful to be out on the green again. Thank you to Irene Toulouse for organizing the Social, and to all who helped with the kitchen duties, and to John Randle for organizing the draw.

Draws begin this week, with the Men's Tuesday PM and Ladies' Wednesday AM. Mona announced that she wouldn't be able to begin her Thursday morning mixed draw until next week. However members are welcome to attend on Thursday morning and a draw will be organized.

This weekend will be a busy one again, with the last Open House on Saturday, and our first club tournament on Sunday. Thanks to the weatherman and the greens crew, the green is in great shape this year and the season is off to a great start.

Bernice Urbaniak.
