Help Needed

We are a busy club with District, Open and club tournaments as well as social events. None of which can be accomplished without the generosity of our volunteers. We would like to sincerely thank those who are always willing to help, whether it's in the kitchen or on the green.

Both are looking and needing new volunteers to step up for the various duties required to keep the green in the great shape it is now and to keep our kitchen open for our events. These duties are gender neutral, so please consider helping where and when you can.

Coming up next week, is the Inkster Mixed Triples on Monday, May 21st. We will require kitchen help all day as well as for the Pot Luck dinner after the tournament. Help wanted posters are on the bulletin board, so please sign up to help.

If you can help out on the green at any time, please contact Darrell Chapman.

Also as a reminder, a Silent Auction fundraiser for the club will take place after our Pot Luck dinner. Everyone is welcome. Donations are now being accepted, contact toulousei@shaw.ca.

Thank you all,
Irene Toulouse, Kathleen Hewitt & Darrell Chapman

Friday Nite Fun Night:

The first session was held this past Friday. Although the turnout was small we did have 3 new bowlers play their first game and had some fun.

Come and play a few games that you are not familiar with, meet new people, have coffee and cookies and perhaps win a prize.

We try to start at 6:30 so please have your tags in by 6:15.

Donn Sherry.

VIP Bowling:

We have a group of about 10 bowlers who come regularly on Tuesday morning to bowl starting at 9:30 am.

Most often they play singles. For this we need markers. This is a good opportunity to keep your marking skills sharp for club and district events. Also, each VIP bowler needs a sighted helper with them at the mat end to aid in strategy and description of what is happening in the head.

If you have some time on a Tuesday morning and are willing to help, please come to the green for 9:30 on a Tuesday. We would be happy to see you and we will offer training.

Donn Sherry.
