Friday Night Fun Night....

Friday, June 22nd – regular bowling for the evening draw – tags in by 6:15 pm

Friday, June 29th – we will try a new game – GOLF!. You won't need to bring your own clubs. The green will be marked off so we will have 8 holes. Courtenay LBC have used this game for several years. Donn will set up the course starting at 3:00 and would appreciate some help.

BERWICK
ON THE LAKE

Since 2015, Berwick on the Lake have sponsored the 60+ Mixed Fours Open tournament and over the next two days their services will be showcased at NLBC.

The mission of Berwick is to create a pleasant environment where residents enjoy exceptional services from friendly staff. They strive to foster a sense of belonging, dignity and respect with residents, families and team members. Senior living experts are dedicated to creating an energetic life force within their community that serve to make assisted living feel like home.

Hugging the shores of Long Lake, Berwick offers flexible, upscale and affordable senior living options, including independent living, assisted living and licensed residential care.

The Nanaimo Lawn Bowling Club is grateful for their continued support.

Security Issues

Now that we have a new fence with locking gates, we must ensure that the gates are locked when the last person leaves the green. There have been at least two instances when it was noted that the gate near the shed was left unlocked. If this trend continues a different lock be installed on that gate and everyone would have to gain entrance through the main gate near the clubhouse. Whoever is running the draw on any given day must designate a member for lockup.
