Central Saanich Exchange: The day may have been colder than we would have liked but at least it didn't rain for the visit from our southern friends. Members from both clubs enjoyed some good bowling with teams composed of members from both clubs. Thanks to all members who showed up for the day, and to Frances Tester and Joyce Mitchell for organizing the games. A special thank you to Pat & Brian McCord, Tricia Higgs, Jean Jacobsen, and David Mitchell for their kitchen duties, and to Fred Hulke, Ron Chisholm and Dave Ruckman for green set up. And of course, we need to say thank you to Darrell Chapman and his crew for their hard work; the green is looking better all the time.

National Bowls Day: It would have been great if we had more visitors trying out the game; however the few who did attend were very interested and hopefully we will get some new members from the event. NLBC members who showed up in 1920's attire provided a lot of enjoyment and made it a festive day. Congratulations to all who took the costume contest to heart, and especially to the winners Margaret Coleman and Denis Ethier.

Thank you to Irene Toulouse for organizing the event, and to everyone who volunteered their help during the day.

NLBC Website: I am happy to report that our call out to members who may be able to help out with the website did not go unanswered. The club is fortunate that Tom Slemko has stepped forward with his website

experience and will be working with Shirley to keep the website up to date. Thank you, Tom. We really appreciate your help.

IMPORTANT NOTICE: All members need to be aware that the gates have now been installed and locks are in place. Your bowl shed key will open these locks. After unlocking the gate, please attach the padlock onto the fence in a locked position. Last person leaving the club: Please make sure the gates are locked.

Members who do not have a bowl shed key may obtain one from Irene Toulouse.

The new fence and locking gates will hopefully eliminate unauthorized use of the green. However, security continues to be an issue. Theft from the gardens continues to be a problem as we've had 2 planters stolen last week. Keeping the clubhouse secure is an issue as well, as there have been instances when the blinds have not been down and windows were left unlocked. When leaving the clubhouse, please ensure that it is left secure,

Club Shirts

I have several club shirts for sale @ \$32.00 each. They come in both blue and white. See below which ones I have in stock.

<u>Men's</u>	<u>White</u>	<u>Blue</u>
Medium	2	0
Large	3	0
X-Large	4	2

Ladies.

Small	1	1
Medium	0	3
Large	5	2
X-Large	0	2

If you need a shirt that is not in stock, please let me know or if you would like to try one please let me know. Depending on the size of the orders, the prices may vary. With the information at hand the minimum order is 12 and the cost somewhere around \$34.00

Name Tags

For those that want name tags, I would like to put in a bulk order. If I can get 20+ the cost would be \$9.00 for a magnet and \$7.00 for a pin. If I cannot meet the 20+ threshold, the cost will be more. If this is the case, I will contact you before placing the order.

If you want to order, please email me at johnrandle@shaw.ca
