From our President:

Hard to believe that we're coming to the end of September and the bowling season is coming to an end. For those diehards who want to have a few more games on the green, Tuesday, Wednesday and Thursday draws can still go on. However, when the weekend comes the green will be prepared for the winter season and the clubhouse will be vacated. So please note the following:

- Friday, September 28: Members must have their bowls removed from the clubhouse. All personal bowls left inside will be placed outside.
- Saturday, September 29: As Darrell has already announced, the greens crew will be at work putting the green to bed.
- Sunday, September 30: All clubhouse items will be packed and stored in the bowl shed.

We will ensure that volunteers who come out to help will be well energized with food, coffee, tea and goodies. Thank you to everyone who contributed throughout the season. I look forward to seeing everyone again in the spring, but there will be some opportunities for members to gather during the off season. Short mat will begin again in October. Our AGM will be held on November 18, and we have a Christmas event in the planning stage for December.

Bernice Urbaniak.

Congratulations!

Mary Mulligan and Rick Quibell are the 2018 winners of the Zone Mixed Pairs Championship. This is the first time that the Nanaimo Lawn Bowling Club has won the championship since 2009. At that time Rick Quibell and Marj Fenske won the tournament in Port Alberni.

Very well done Mary and Rick!

Winter Activity:

Stay active and stay connected with fellow lawn bowlers during the off season by playing short mat at Costin Hall in Lantzville on Monday and Friday afternoons. Commencing October 1st, drop in at 1:15 pm for a 1:30 pm start. All welcome. You will want to wear flat shoes and have your own bowls (or arrange to borrow Club bowls). Email shirley.phillips@shaw.ca for more information.

From our Games Chair:

On Saturday, September 15th, 2018 we held the first leg of the membership tournaments, but due to poor weather on Sunday the 16th, we postponed the second leg until Sunday, September 23rd and we were delighted that the weather was much better on that day. The events were chaired by Frances Tester and John Randle with
