

Club Chatter

Tuesday, October 16, 2018

Attention members!

We are in the planning stage for our Christmas get together.

Please mark your calendars and circle **Sunday, December 2nd, 2018** for our Christmas luncheon which will be held at the **Oliver Woods Community Centre** on Oliver Road. A full turkey dinner/lunch will be prepared by our very own members.

Tickets will be sold at our AGM and for those unable to attend the meeting, tickets can be reserved by contacting me at toulousei@shaw.ca.

More details as they become available regarding this event will be displayed in the weekly Chatter.

Hope to see you all at our AGM.

Irene Toulouse
Social Coordinator

XXXXXXXXXXXXX

The municipal election is taking place on Saturday, October 20th. While the Board of NLBC wouldn't normally support candidates running for office, we are making an exception as we hope that our own member, **Ian Thorpe** is successful in being elected to his position on the Nanaimo City Council. Ian has been helpful in promoting our club through his column in the Nanaimo News Bulletin and is always willing to help resolve issues between NLBC and Bowen Park/City staff (including the infamous tree removal).
