

Hey Kids,

We have a secret to share. . . . *“Lawn bowls really is FUN!”* There are three age groups. Which do you fall into?

- **U12** (Under 12’s for youth aged between 9-11)
- **U18** (Under 18’s for youth aged between 12-17)
- **U25** (Under 25’s for youth aged between 18-24)

During the school year you are able to access **Saturday morning lessons** and **skill development sessions** on most weekends. Friday evening there is a **Fun Night** and on **Sunday afternoons**, when there isn’t a tournament playing, a leisurely afternoon is spent on the green with a break half way through for cake and a beverage. This event is known as **“Tea and Bowls”**. When you feel ready, you can also join in one of the evening leagues such as **“Cut Throat”** which isn’t at all as scary as its name, but rather a lot of fun. Attend these events with Mom, Dad, or a Grandparent to spend some great family time playing a terrific game. If you are 12 and over, with your parents’ permission, you can come along on your own or with a friend.

Once school is out, you can join in with the **Wednesday afternoon lessons** and **skill development sessions**. There are other leagues you can join, including a really fun event on Thursday mornings called **“Mixed Draw”** where you get to try out the different positions in the game (skip, third, second and lead) and it is really a great training ground to get ready to enter tournaments if that interests you.

All the gear you will need is comfortable clothing, and flat-soled footwear. You may borrow the Club's bowls and you'll be ready to roll.

Interested? Call Shirley at **250-751-1561** to set up a free introductory lesson. Lessons 2, 3 & 4 cost just \$10 inclusive and this is refundable upon application to Nanaimo LBC. Annual fee currently \$42 for youth.
